## Deliveries

Please take note that the first delivery is free of charge, with orders in excess of 10 000metical

## Excess Groceries

If there are any excess dry items left over after your visit you are welcome to send it back to be credited against your account. No open, fresh items or goods that came from any other supplier will be accepted. Only cases or 6 packs that were not opened will be credited as well. As a unique service Bonita will accept returns up to 10% of your total food and fuel order on condition that all goods returned were purchased through us.

## Purchase of Fruit & Vegetables

Please take note that fresh products are bought the day before or on the day of arrival to make sure we deliver fresh produce. Unfortunately we can not let you know what items are available ahead of time, but we'll do our best to get what is available in season.
